# PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

## FORWARD

The Job Shop and Service to Industry Directory is compiled and published by the Pitt County Development Commission, 111 South Washington St., Greenville, North Carolina.

The Job Shop and Service to Industry Directory contains information on companies providing industrial services in Pitt County and eastern North Carolina. Companies are listed alphabetically. Detailed descriptions of the companies and all their services follow.

The Pitt County Development Commission does not accept any responsibility for errors or omission in fact of materials furnished. Every effort was made to include all job shops in the county: any omission is inadvertent. Any companies omitted are encouraged to fill out the form on pages 24-25 in order to be included in future revisions.

For more information, please contact Brad Hufford, Associate Director for Retention & Expansion, at (252) 902-2077 or by email at [brad.hufford@pittcountync.gov](mailto:brad.hufford@pittcountync.gov)

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### **CMI Plastics, Inc**

222 Pepsi Way  
Ayden, NC 28513  
(252) 746-2171  
Fax: (252) 746-2172  
Stephen Hasselbach, CEO  
Established: 1942 (Relocated to Pitt County in 2007)  
Employees: 55  
NAICS Code: 33351, 561910, 326199  
SIC Code: 3544, 3089, 7389

#### **Type of Work**

Blister packing, contract packaging, thermoforming.

#### **Principle Products/Service**

Trays, Blisters, Clamshells.

#### **Major Work**

Cosmetics, Aerospace, Medical, Pharmaceutical.

#### **Quality Control System**

Exact JobBoss/Unipoint Quality Assurance, Manual Inspection, Lot Retainage, Customer GMP.

**D&D Mechanical Services, LLC.**

P0. Box 64  
3234 Wesley Church Rd.  
Farmville, NC 27828  
(252) 753-5337  
FAX (252) 753-5337  
Donnie Robinson, President  
Established: 2007  
Employees: 6  
SIC Codes: 3441, 3444, 3448, 3449, 3564, 3569, 3499

**Type of Work**

Metal fabrication; Miscellaneous steel fabrication and installation such as handrails, stairs, special supports and frames, machine guarding, etc.; Industrial duct work; Non-coded welding - carbon steel, stainless steel, aluminum; Non-process and process piping (welded and threaded) - carbon steel, stainless steel, copper, galvanized, PVC; Equipment relocation and installation; Millwright; Rigging; Form and place concrete equipment pads and grout equipment; Footings and concrete demolition disposal; Metal buildings - erect and repair.

**Principal Products and/or Services**

Industrial/Commercial HVAC design, fabrication and installation, including food grade applications, carbon steel, stainless steel, aluminum; Fabrication shop and portable welding services.

**Equipment:**

Shop is approximately 6,000 sq ft.  
[5] 16'x20' rollup doors  
[2] Overhead monorails  
10'0"x16 gauge Wysong sheet metal brake  
4'0" box brake  
4'0" roller  
16 gauge stomp shear  
[3] Portable welders  
[1] Miller tip welder  
5,000 lb. LP forklift

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### Jack A. Farrior Steel Works, Inc.

P.O. Box 839  
9585 US 264 Alt.  
Farmville, NC 27828-0839  
(252) 753-2020  
FAX (252) 753-7851  
Jack A. Farrior, President  
Established: 1962 (Name Change in 1993)  
Employees: 60  
SIC Codes: 3441, 3564, 3569, 3449, 3499

#### Type of Work

Metal fabrication; Design, fabricate and install structural and miscellaneous steel; Bins and hoppers; Duct work; Stainless steel; Aluminum; Sandblasting; Paint; Design/build projects; Structural and miscellaneous steel fabrication; Agricultural and industrial material handling conveyors, elevators, spouting; Metal building and mill renovations.

#### Principal Products and/or Services

Material handling equipment, millwright, structural steel, miscellaneous steel, tanks, blowers, conveyors, automatic counters.

#### Quality Control System

Visual inspection and performance testing

#### Equipment:

##### Forming

- [1] Bending Roll
- [1] Brake, I7ST 12'
- [1] Iron Works, punch, 1/4" x 1/2"
- [1] Iron Works, angle shear, 6" x 6" x 1/2"
- [1] Press, mechanical, 7ST 8'
- [1] Press, mechanical, 14' x 1/2"
- [1] Shear, 1/4" x 10'
- [1] Shear, 1/2" x 14'
- [1] Milling Machine Lathe (in house needs only)
- [2] Saws, band and cut-off, 1 6" x 1 2"

##### Welding

- Arc
- Mig and Tig
- [9] Wire
- Studwelder

## **Jack A. Farrior Steel Works, Inc. (continued)**

### **Finishing**

Painting (airless and spray)

Sand Blasting

### **Shipping Facilities**

Truck

## **The Hammock Source**

P.O. Box 1602  
305 Industrial Blvd.  
Greenville, NC 27835  
(252) 758-0641  
FAX (252) 758-0375  
Jay Branch, President  
Established: 1971  
Employees: 150  
SIC Code: 2394, 3471, 3499

### **Type of Work**

Metal working; Electrostatic painting; Woodworking; Cut and sew textiles; Twisting-textiles; Quilting.

### **Principal Products and/or Services**

Rope and cordage, hand-woven rope hammocks, quilted fabric pillows, wood products, and metal products.

### **Quality Control System**

On line inspections, receiving/production and finished goods.

### **Major Work**

Mass manufacturing of products using the above capabilities. Job shop work done on a limited basis.

### **Equipment:**

#### **Forming**

- [1] Bending Roll
- [1] Iron Works
- [1] Press, hydraulic
- [1] Press, mechanical

#### **Machining**

- [2] Boring Mills, horizontal
- [1] Boring Mill, vertical
- [2] Drills, multi-spindle
- [3] Drills, radial

#### **Machining**

- [2] Grinders, surface
- [1] Planer
- [3] Saws, band
- [1] Saw, circular

# PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

## **The Hammock Source (continued)**

### **Welding**

[1] Arc

[2] Wire

### **Finishing**

Painting

Polishing

Sandblasting

### **Foundries**

Cleaning, sandblasting

### **Shipping Facilities**

Truck

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### Package Craft, Inc.

PO Box 430  
146 Package Craft Road  
Bethel, NC 27812  
(252) 825-0111  
FAX (252) 825-0100  
Craig Roberts, General Manager  
Established: 1982  
Employees: 43

### Type of Work

Manufacturer of corrugated packing materials including shippers, inner packer, and displays; Assemble partitions, build ups, foam on corrugated and assembled packs.

### Principal Products and/or Services

Corrugated containers

### Quality Control System

Total Quality Management

### Major Work

Printing, slotting, scoring, and jointing of corrugated sheet stock.

### Equipment:

86 x 190 Harper 1/C Flexo Slotter; S/N EO220, electric running registers, electric frame opening, Martin sheet stacker.

50 x 130 McKinley Flexo Printer Slotter; Lead edge feeder, Martin stacker.

50 x 103 Hooper 4/C Printer Slotter; S/N WSG 3P-BOS, vacuum assist feed, electric running registers, die cut attachments, Greene Line stacker, S/N 7S4A-2.

50 x 110 Greenwood 2/C Printer Slotter; S/N CPS 1032, manual running registers.

24 x 66 Simon Hooper 2/C Printer Slotter; electric running registers, layboy takeoff.

24 x BG 2/C Printer Slotter; electric running registers, poly printer cylinders, Greene Line Stacker.

66 x 113 McKinley 2/C Rotary Die Cutter; lead edge feed, McKinley beater takeoff.

80" S&S Eccentri Slotter; Model ECC, S/N 19711, [3] 17" slotters, corner cut.

45 x 65 Miehle Cylinder Die Cutter; S/N 184, hand feed, vacuum takeoff.

50 x 70 Miehle Cylinder Die Cutter; Model C & C. 70, S/N 127.

23½ x 67 S&S Partition Slotter; Model DPB, S/N 3479, [14] pairs of slotters, [12] pairs of slitters, fold down scoring, slow belt takeoff.

23½ x 67 S&S Partition Slotters; Model DPB, S/N 820, [12] pairs of slotters, [10] pairs of slitters, fold down scoring, slow belt takeoff.

120" Global 4-Bar Slitter; Model L-l O-S, S/N 1 601, 6" shafts, [8] pairs of scores, [6] pairs of slitters.

80" Progressive 4-Bar Slitter: 6" shafts, [8] pairs of scores, [9] pairs of slitters, [7] pairs of slit/scores, takeoff.

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### Package Craft, Inc. (continued)

40" Rebiltco Band Saw; Model Super C Jr

36" Potdevin NTZ Gluer; S/N 3-1 1 B.

60" Potdevin Rotary Press

60" Economy Downstroke Baler

49 x 118 Emba Folder Gluer; Model UVZ-RTZ, S/N 965, Valco glue, Signode bundler, Model ML2JE.

Crittendon Semi-Automatic Gluer with Nordson Hot Melt and Valco Cold Glue.

585 Bostitch Semi Automatic Stitcher; S/N LI 6490V, Crittendon conversion, belt takeoff.

Universal Jet Taper; S/N M-707, roler platform lift, Valco glue.

S&S Taper; Model FAD, S/N 161 90, roller platform lift, air knife.

38" Staude Straight Line Gluer; belt feed, glue pot.

Muller Spiral Stretch Wrap Machine; Model LP44B, S/N 10801 081, motorized turntable.

C&S Automatic Labeler

**Sphenodon Tool Company, Inc.**

3530 Tupper Drive  
Greenville, NC 27834  
(252) 757-3460  
FAX (252) 830-0207  
Jeff Dill, President  
SIC Codes: 3545, 3544, 3599

**Type of Work**

Design, manufacturing, servicing and sales of cutting tools (High speed, carbide drills, top reamer, end mills, counter bores, milling cutters, broaches, locating pins).

**Quality Control System**

Visual inspection of each piece using comparators (25x magnification), surface plate micrometers.

**Equipment:**

**Forming**

[1] Press, hydraulic, 12 ton

**Machining**

[4] Grinders, cutters, Cincinnati (Model #2)  
[3] Grinders, universal, Brown & Sharpe (Model #13)  
[2] Grinders, external, OD (Model #5)  
[1] Grinder, internal, Cincinnati (Model #2)  
[1] Grinder, surface, Detra  
[2] Grinders, relieving, Royal Oat  
[2] NC Machines, drill, pointer (1 Oliver)  
[1] NC Machine, lathe, engine  
[1] NC Machine, milling, vertical, Bridgeport  
[1] NC Machine, milling, Brown & Sharpe  
[1] Saw, band

**Shipping Facilities**

Truck

**Other Special Equipment**

[2] Comparators (14" screen)  
[1] Cut off machine for steel bars

## **SPM Machine Works**

4721 Old NC 11  
Ayden, NC 28513  
(252) 746-1229  
FAX (252) 746-2192  
Clint Sanders, President & COO  
SIC Codes: 3599

### **Type of Work**

Prototype and CNC production of machined parts in low and high volume.

### **Major Work**

Customers in the aerospace, automation-robotics, electronics, packaging, environmental, pharmaceutical, hydraulic cylinder, and other high-tech industries.

### **Quality Control System**

ISO-9000 compliant. Quality Assurance Lab stocked with the full complement of inspection equipment, thread gauges, and hand tools.

### **Equipment:**

#### **CNC Mills**

- [2] Haas VF-1 Milling Centers
- [1] Haas VF-4 Milling Center
- [1] Okuma ES4020 Milling Center
- [1] Acer 3 Axis Milling Machine with Anilam 3000-M control

#### **CNC Lathes**

- [4] Okuma Crown Turning Centers
- [1] Okuma LFS-15 Twin Spindle Turning Center
- [1] Okuma LB-15 11M Turning Center with live tooling
- [1] Okuma LB-10 11M Turning Center with live tooling

#### **Swiss Machine**

- [1] Tsugami S-25D CNC Swiss with automatic bar loader

#### **Quality Assurance Equipment**

- [2] Digimar CX-2 Digital Height Gauges
  - [1] Starrett HE-350 Optical Comparator
  - [1] Mitutoyo PH-A14 Optical Comparator equipped with QM Data 2000
  - [2] Surface Plates 24 x 36 (2 inspection station set ups)
- Multiple digital calipers, micrometers, and gauges.

# PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

## **SPM Machine Works (continued)**

### **Other Equipment**

- [1] Peerless Saw - Fully Automatic
- [1] Manual Drill Press
- [2] Fork Lift Trucks
- [1] Vibratory Tumbler

**Starling Enterprises, Inc.**

4656 US 258 N  
Famville NC 27828  
(252) 753-2735  
Fax: (252) 753-2523  
John D. Starling, Owner  
Established: 1979  
Employees: 2  
SIC Code: 3499

**Type of Work**

Aluminum, stainless steel, carbon steel and plastic fabrication of new parts and/or repairs.

**Principle Products/Service**

Replacement parts for machinery, fabrication of new machinery and/or parts. Design new equipment and re-engineer old designs

**Major Work**

Fabricate parts for machines and equipment.

**Equipment:**

**Fabrication**

- [1] bending roll, 12 GA x 4 in
- [1] iron worker - 1"x8", 5/8"x14"; 1 1/4" hole thru 3/4" plate, 4"x4" x 3/8" angle, cope 1/2"
- [1] Press, mechanical 8'-12 GA
- [1] Press, hydraulic - 12' x 3/8" 225 ton special forming dies-acute, vee, flatten, large radii
- [1] Shear - plate 1/4"x 12'

**Machining**

- [2] drills, upright 20"
- [1] drill, upright 24", large capacity
- [1] grinder, surface 6"x18"
- [1] lathe - 16"x80"
- [1] lathe, engine, 15" x 54"
- [1] CNC bed mill 48" x 36"
- [1] milling machine, Lagun, 17"x32" envelope
- [1] CNC Milling Machine, Lagun 16" x 30" envelope
- [1] band saw, horizontal 6" x 14"
- [1] band saw, horizontal 11"x20"
- [1] band saw, vertical - 20" wide x 14" high

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### Starling Enterprises, Inc. (continued)

#### Welding

[3] Mig welders, 450 amps

[2] wire, tig and stick machine (stainless steel & aluminum) Miller 350 amp.

[1] Plasma cutter - 1¼" capacity

[1] Spray welding unit - Eutectic

#### Finishing

Painting available

Polishing available

Bead blasting

Sand blasting

Power Coating (small)

#### Other Special Equipment

Unipunches up to ¼" capacity thickness; up to 1 ¼" diameter by 12' length

Rigid Threader- 1/8" to 4" pipe; ¼" to 2" bolts, standard & metric

**TRC, Inc. (The Roberts Company)**

133 Forlines Road  
Winterville, N.C. 28590  
(252) 355-9353  
FAX (252) 756-7018  
Chris Bailey, President  
Established: 1977  
Employees: 650  
SIC Code: 3443; 3499

**Type of Work**

ASME Code and non-Code welding; Steel and alloy fabrication; ASME Code vessel fabrication and repairs; Unlimited general, mechanical, and electrical contracting.

**Principal Products and/or Services**

Tanks, Heat Exchangers, Pressure Vessels, Fabricated Piping and Fittings, and Structural Steel.

**Quality Control System**

Four full-time AWS certified welding inspectors.

**Equipment:**

**Forming**

- [1] Plate Roll, 5/8" x 10'
- [1] Press Brake, 350 ton x 12'
- [3] Ironworkers, 120 ton, Piranha
- [1] Shear, 350 ton x 12'

**Machining**

- [1] CNC Vertical boring mill
- [1] Radial drill
- [1] CNC multi-function turret mill

**Finishing**

Painting: heat cured industrial coatings with automotive type finishes.  
Sand-blasting: environmentally safe media recovery system.

**Saws**

- [1] Coldsaw, bandtype
- [1] Coldsaw, circular type

**Welding**

- [40] Tig, Mig, and Stick machines
- [1] Pandjiris Manipulator (Automated)

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

**TRC, Inc. (continued)**

### **Burning/Cutting**

[1] CNC Oxyfuel/Plasma Cutting torch with Auto/CAD interface

### **Shipping**

Rail

Truck, four-lane interstate access

### **Other Special Equipment**

CNC Auto Plasma Torch with AutoCad interface; CAD department with EDI capability; Four overhead cranes; Field erection capability with unlimited licenses in General Contracting, Electrical, and Plumbing HVAC.

**United Machine Works, Inc.**

1716 NC 903 N  
Greenville, NC 27834  
(252) 752-7434  
Fax (252) 830-9360  
Linwood Brown, Production Manager  
Established: 1964  
SIC Codes: 3398, 3499, 3535, 3559, 3569, 3599

**Type of Work**

Custom machining, fabrication and assembly of machine tools and parts.

**Principal Products and/or Services**

New design and manufacture or repair of special industrial machine tools, parts, and their delivery and installations.

**Quality Control System**

Complete inspection of all parts and machines or as specified by the customer's requirements. Type of equipment available include [1] Brown & Sharpe MicroVal coordinate measure machine, [1] Mitutoyo optical comparator, [1] 4' by 9' granite inspection table, micrometers and calipers to 36 inches, [1] Federal roughness meter and [1] Wilson harness tester.

**Major Work**

Custom Machining, precision grinding, CNC milling, CNC turning and fabrication.

**Equipment:**

**Machining**

[10] Engine lathes  
[2] Bullard vertical turret lathes  
[3] CNC Turning centers  
[4] CNC Milling machines  
[1] Moore jig borer  
[12] Vertical mills with digital readouts  
[2] Lucas horizontal boring mills  
[3] Cylindrical grinders  
[6] Surface grinders  
[1] Sunnen honing machine  
[1] CNC horizontal machining center  
[1] Wotan horizontal boring mill

# PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

## United Machine Works, Inc. (continued)

### Fabrication, Welding, and Finishing

- [3] Drill presses
- [2] Horizontal saws
- [1] Vertical saw
- [1] McKay submerged arc welder
- [1] Linde MIG welder
- [4] Miller combination TIG and AC/DC arc welders
- [1] Cress electric heat treating furnace
- [1] Torex vibratory finisher
- [1] Empire glass bead blaster
- [1] Spray paint booth

## Winterville Machine Works, Inc.

P.O. Box 520  
2672 Mill Street  
Winterville, NC 28590  
(252) 756-2130  
FAX (252) 756-0695  
John R. Carroll, President  
Established: 1957  
Employees: 65  
SIC Codes: 3499, 3599, 3732, 3398, 3471

### Type of Work

Job Shop specializing in repair and manufacture of machines, dies, fixtures, and tooling; CNC Production Machining; Marine fabrication division; Electroplating/Metal finishing.

### Principal Products and/or Services

Modifications and repairs of machines and equipment. Manufacturer of parts to vendor specifications. Powder spray; heat treating; CAD/CAM facilities; fabrication shop specializing in aluminum pipe forming and welding for the marine industry; and electroplating/metal finishing; metal fabrication; mig, tig, and stick welding.

### Quality Control System

MIL-Q-9858A; MIL-Q-45208A; MIL-STD-4104; MIL-STD-I S20C.

### Major Work

Custom design, manufacturing, and repair of precision machines and parts: automotive, industrial transportation equipment, material handling equipment, plastic injection mold dies, and textile equipment. Electroplating: hard industrial chrome, Zinc/Zinc Chromate-Rack and barrel, Black Oxide. WMW Marine Sportfishing accessories: hardtops, towers, T tops, leaning posts, rod holders.

### Equipment:

#### Machining

- [4] Milling and shaping machines, vertical, Bridgeport
- [1] Milling machine, vertical, No. 2 Fritz Werner
- [1] Milling machine, horizontal, 5 1/8" spindle, boring and drilling, Wotan. Headstock travel 63", table cross travel 78", table longitudinal travel 69", power driven table, Farrand readout, 3 axis
- [1] Shaper, 24", with universal table, Cincinnati Rigid
- [1] Grinder, cylindrical, universal, 14" x 72" Cincinnati
- [1] Grinder, surface, 16" rotary table, No. 11 Blanchard
- [1] Grinder, surface, 6" x 18", Reed

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### Winterville Machine Works, Inc. (continued)

#### Machining (continued)

- [1] Grinder, tool and cutter, all End Mill grinding attachments md. Weldon, No.2 Cincinnati
- [2] Grinders, tool post, Dumore
- [1] Grinder, cylindrical, Norton Plain
- [1] Grinder, surface, 42" rotary table (48" swing), Blanchard
- [1] Grinder, cylindrical, universal, 10" x 30", Cincinnati
- [1] Grinder, surface, B" x 24", Brown and Sharpe
- [1] Sander, belt, Jon Air
- [3] Sanders, belt, floor type, 120" Hammon
- [1] Sander, belt, vertical, 8 x 90, Porter Cable
- [1] Lathe, 26" x 120" HMT Super Cut
- [1] Lathe, toolmakers, 10 x 36", EE Monarch Precision
- [1] 16" x 102" American engine lathe
- [1] Lathe, pivot-type lathe tracer attachment, Mark 11
- [1] Lathe, engine, 15" x 54", Leblond Regal continued (1) Lathe, engine, 17" x 80", Causing Colchester
- [1] Saw, band, vertical, 36" (metal cutting)
- [1] Saw, Cut-off, automatic, 12", Peerless
- [2] Saws, band, 20", Powermatic
- [5] Drill presses, single spindle
- [1] Drill grinder, 2.5", Sterling
- [1] Drill, radial, American
- [3] Tapers, automatic
- [1] Boring mill, lathe, vertical, turret, 36", high speed Bullard
- [1] Boring mill, vertical, 72", 6 to 105 RPM, max swing: 78", 46" under rail, G & L
- [1] Jig borer, bridge type, 18" x 23" travel with grinding attachment, Mitsui Seiki
- [1] Cincinnati Milacron Arrow 750
- [1] 5" Gidding & Lewis PC 50, CNC table type horizontal boring mill, 1990

#### CNC Machining

- [1] Machining Center, vertical, OKUMA MC-4VAE, travel table, 16 x 30, repeatability .00012, 20 tool ATC
- [1] Machining center, K & T (Model 600) 3 axis CNC control, rotary indexer, 40 tool changer, circular interpolation, pallet shuttle, and 30" cube machine parameters, repeatability: .0002
- [1] Machining Center, Cincinnati Cim-X Changer CNC Series 30 Machining Center with full 3 axis contouring control and rotary index table, repeatability: .0003
- [1] Machining Center, Gidding & Lewis PC -SO horizontal boring mill, 3' x 5' rotary table travels 9G"X, 72"Y, 62W 367,100 tool changer, .00022 repeatability, table size 4' x 8'
- [2] Lathes, CNC Okuma LC 20-2S-4 axis turning center, 10" chuck, 30" between CTRS
- [1] Lathe, CNC Cinturn 1 208 Turning Center, 8" chuck, 40" between CTRS

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### Winterville Machine Works, Inc. (continued)

#### CNC Machining (continued)

[1] Lathe, CNC Hitachi Seiki 4NEI 1-1100 Turning Center, 10" chuck, 40" between CTRS

LNS Hydrobar Barfeeder 1 .75" x 12'

Cincron Cell - Consisting of: [2] Cincinnati Milacron MalCm horizontal 630 machining center 7 pallets each APC, 1 20 tool changer each - X -axis (column) 40.35", Y- axis (spindle carrier) 31 .5", Z axis (pallet/index table) 31.5"

#### Welding

[1] Welder, pulsed heliweld control for welding alum. and stainless steel, 250 AC/DC Miller

[1] Welder, heliarc, stick and mig, inert gas, 300 amp, Miller

[1] Welder, oxygen and acetylene equipment, propane cutting equipment

[8] Welder, Synchronwave, 300 amp, Miller pulsed controlled

[1] Spray equipment, Eutectic Mig, Tig, and Stick (all metals)

#### Finishing

Electroplating

Polishing

Grit and Vapor Blasting

Industrial Hard Chromium for work up to 12" in length

Black Oxide

Drying Ovens

Sand Blasting

Passivating

Tumbling

Zinc/Zinc Chromate- Rack and Barrel

#### Shipping Facilities

Air service

Day and night truck service

Day and night bus service

UPS daily

#### Miscellaneous Equipment

[2] Presses, Arbor

[1] Press, hydraulic, automatic, 1 50 ton

[1] Broaching Press, 6 ton, Colonial

[3] Lapping plates

[1] Demagnetizer

Brake, press, 18" throat x 8' bed, 110 ton

[1] Set 60" x 130" balancing ways

[1] Rotary Table, 12"

## PITT COUNTY JOB SHOP AND SERVICE TO INDUSTRY DIRECTORY

### Winterville Machine Works, Inc. (continued)

#### Miscellaneous Equipment (continued)

[1] Iron worker

Numerous portable drills, grinders, and sanders

Keyway broaches to 2"

[2] Pipe Bender, 2", Pedric

[1] Heat treating furnace with automatic controls, 8.5" x 9.5" x 18"

Case hardening equipment

#### Quality Control Equipment

Precision tools and gauges - 0.0. Mikes to 36" with standards

I.D. Mikes to 36"

Precision gauge blocks

End measuring rods

Dial indicators .001 and .001

Height gauges

Depth gauges

Vernier calipers to 80"

Hole gauges

Precision bench centers

Surface pyrometer

Precision squares

Precision master level

Precision straight edge

Hartford Super Spacer

Misc. gauges and time savers of many types and sizes

[2] Electronic indicators

[15] Bore gauges, .122 - 12.665
